

## ME

I never get peace from  
ME  
Til death do us part  
ME  
Til you kill  
Me  
I embrace never killing you  
I am  
Committed  
to these  
Cells  
Make this  
Prison  
A  
Prism  
How do I see the world differently?  
How is this dis an ability?  
More disabling than lupus MS and cancer  
A tumour immovable  
/  
Will  
Be  
Immoveable...
